UBC Summer Science is returning in person this year!!!

2022 applications open NOW!

What is UBC Summer Science Program?

UBC Summer Science is a one-week cultural, health and science program for Indigenous students entering grades 9 - 12. The program promotes interest in health, science, technology, engineering and mathematics (STEM) programs through firsthand experience at the University of British Columbia. The Summer Science Program is a great opportunity to meet new friends, eat great food, connect with Elders/role models while enjoying fun, laughter and learning.

Got Questions? Email: summer.science@ubc.ca

If COVID-19 restrictions do not allow us to gather in-person for UBC Summer Science from July 10th-23rd we will then offer VISE 2022. With respect to those that may not want to attend an in-person Summer Science this year, we are opening VISE 2022 applications to assess the demand for the program. Closer to April 2022, we will announce if one or both programs (UBC SSP & VISE 2022) will be running in July 2022.
